- 60 Watts - \$700,
- 80 Watts - \$900,

***CUSTOM CONFIGURATION
AVAILABLE**

Model I-6500 A
(500 and 1000 CFM)

NOTE:
Carbon filter lid not in place
for visual appearance.
(You must attach lid to filter canister)

Easy refillable carbon filter

The Carbon Assembly is a perforated metal container, engineered to provide maximum air contact with the chemical filters.

An added feature of the carbon filter is the removable panel cover running the full depth of the unit for ease of filter loading.
